

achieved 20 or more years of creditable military service.

(iii) Copy of divorce decree with official date.

(5) Abused dependents must include:

(i) Full name, social security number, grade or rate, branch or service, and date and type of discharge or dismissal of the former member. Such a member must have received a dishonorable or bad-conduct discharge or dismissal from a uniformed service as a result of court-martial conviction for an offense involving abuse of a dependent of the member.

(ii) Full names, social security numbers (if assigned), and relationship to the former member of any dependent in need of medical or dental care to treat adverse health conditions resulting from such dependent's knowledge of the abuse or any injury or illness suffered by the abused person as a result of such abuse.

(c) *Blanket designation.* (1) The Secretary of Defense has granted Secretarial designee status to full-time Schedule "A" faculty members of the Uniformed Services University of Health Sciences (USUHS). They have been provided documentation substantiating their eligibility and, where necessary, an eligibility termination date. These personnel are authorized routine care at the Naval Hospital, Bethesda, MD. At other naval MTFs, only emergency treatment is authorized while they are traveling on official university business. The letter of authorization excludes routine dental care, prosthetic appliances, and spectacles.

(2) The following officials within the Government, the Department of Defense, and military departments have been granted blanket Secretarial designation for medical and emergency dental care in naval MTFs in the United States:

- (i) The President.
- (ii) The Vice President.
- (iii) Members of the Cabinet.
- (iv) Article III Federal Judges.
- (v) U.S. Court of Military Appeals Judges.
- (vi) Members of Congress.
- (vii) The Secretary, Deputy Secretary, and the Assistant Secretaries of Defense.

(viii) The Under Secretary of Defense for Policy.

(ix) The Under Secretary of Defense for Research and Engineering.

(x) The Secretaries, Under Secretaries, and the Assistant Secretaries of the Military Departments.

(d) *Authorization.* Designees will present a signed letter bearing the letterhead of the designating service. Secretarial designees are not included in the DEERS data base and may not possess Government identification cards. Therefore, the only proof of their eligibility for treatment may be the letter of authorization. When a Secretarial designee presents for treatment:

(1) Ask for identification of the individual presenting the letter of authorization to assure that the person seeking care is the individual to whom the letter was issued.

(2) Check the expiration date on the letter of authorization. Many authorizations are issued for only a specified period of time, e.g., abused dependents—no longer than 1 year.

(3) Check to assure that the individual is applying for care authorized by the letter of authorization. Designation is often granted for a specific diagnosis or specific mode of treatment.

(4) Check to assure that the individual has not been designated for care only as specific facility. Many authorizations are granted for conditions or for care that can be rendered only by a specified physician or under a specific program.

(5) Place a copy of the letter of authorization in the individual's Health Record or outpatient treatment record on the left side at the first visit or admission.

(e) *Charges and collection.* (1) Interagency rates are applicable for inpatient and outpatient care provided outside the National Capital Region to all individuals listed in paragraph (c)(2) of this section with the exception of Members of Congress. Charges are at full reimbursement rates for Members of Congress provided inpatient or outpatient care outside the National Capital Region.

(2) In the National Capital Region:

(i) Charges are waived for outpatient care provided to all categories listed in paragraph (c)(2) of this section.
